KINGAIR B200

BEECHCRAFT KING AIR B200

Incorporating the most successful aircraft design ever introduced, the King Air B200 has outsold every other single line of business airplane – jet or turboprop. Extensively refined and enhanced inside and out, this aircraft offers unmatched utility and mission flexibility in addition to its rugged reliability and operational economies. With a luxuriously large executive cabin, you can travel in comfort and quiet to more locations efficiently.
